EXPERIENCES

PRESIDENT / FOUNDER @ A2E (STUDENT COUNCIL OF ESD)

Septembre 2019 -

Creation of the student council of ESD Paris in order to help with the integration of new students and give a new dynamic to the student life at the school.

WEBMASTER - UI/UX DESIGNER @ CLAIRMAB STUDIO

April 2018 -

I create and develop websites for different clients from the studio. I create the UI and UX of the websites with the needs and the expectation of the clients. I develop them using the well known CMS Wordpress.

ASSISTANT PROJECT MANAGER @ SEMANTIWEB (WEBEDIA)

February 2019 - April 2019

Creation of web interfaces, design and integration of websites. Creation of different graphic elements and presentations. Design and implementation of emailing campaigns. After my internship, a definitive post was created to replace me.

DELEGATE @ FRENCH MUN (MODEL OF UNITED NATIONS)

2014 - 2017

I participated in three consecutive sessions of this United Nations simulation as a delegate from New Zealand, UNITAR and the United States. I trained in negotiations and international relations by developing my communication skills.
